**Agenda Items**

- Spring Programming Review
- Website

**Spring Programming Review**

The members reviewed the proposed programming and provided feedback.

- A few items were suggested for November in addition to the Food Drive. Also recommended to highlight T Y Wang and Ali Riaz as university scholars.
- December
  - Like the idea of the Talent Show. We need to determine the timeframe and what we want to share on Facebook. Should we have it for a week (like Asian Heritage)? How about sharing the recipes on Facebook? Can also ask our members about their recipes or how they celebrate their Christmas. Decided to encourage members to share their recipes between Dec 16 and Jan 11.
- January
  - Invite international scholars to share their success stories during the pandemic during the General Meeting.
- February
  - Highlight of AsiaConnect members (not necessarily “scholars”) to get to know our members (e.g., what they love doing). Great way to promote our members and learn about their journey. The campus and outreach committee will take lead on this.
  - Professional development (needs could be different)
- March
  - Invite other affinity groups to join us and share information (social time).
- April (Asian Heritage Week/Food Drive)
  - Asia Heritage will be virtual. How about researching the country/person who made great contributions to the USA? How about identifying Asia Americans who made significant contributions (from various fields) to the USA?
  - Food Drive – We can drop off the food items in the bin provided at the west church entrance.

**AsiaConnect Board Meeting Minutes**

Friday, November 6, 2020

1:00 - 2:00 pm

Zoom

**Website**

- We should take more pictures so that we can post them on the website.
- Achieve currently has the AsiaConnect Constitution and minutes. Past events can also include in this section.
- Our website should have the “current events” section for our members to review the events throughout the year.

**Action Items**

- Grace/Judi will provide the Food Drive update in the next meeting.
- Gig will share the event checklist with the members.

**Next Meeting:** Friday, December 11, 2020.
